Re: Application of Texas HomeTel, Inc., d/b/a 877 Ring Again
for Amended Authority to Provide Facilities-Based Local Exchange
Telecommunications Services

02-01300

Dear Mr. Whitis:

Texas HomeTel, Inc., d/b/a 877 Ring Again ("Ring Again" or "Applicant") currently has an Application for a Certificate of Convenience and Necessity under review by your office. Due to a typographical error in the balance sheet submitted with Application, we hereby wish to file the corrected page. Fourteen (14) copies of the substitute page are provided.

The corrected page was part of proprietary information which was filed under separate cover with the Application, and is being filed in such a manner today. Because this information is highly confidential, Ring Again requests that the Tennessee Regulatory Authority not disclose this page, or any of the other confidential Exhibits to the public or to any of the Applicant's competitors.

Please date-stamp one copy and return it to the undersigned. If you have questions regarding this matter, or if you require additional information, please give me a call at 252-2302.

Very truly yours,

BOULT, CUMMINGS, CONNERS & BERRY, PLC
